Background

Government allocated Cambridgeshire & Peterborough Combined Authority (CPCA) £13,871,810 of UKSPF funding, of which £3,999,186 is for multiply adult numeracy support. Accessing the remaining £9,872,624 funding was dependent on the submission and approval of a Local Investment Plan (LIP) which was submitted to Government on the 31st July 2022 and approved on the 5th December 2022. The LIP was based on spend across outputs & outcomes not specific projects, although we did develop projects to deliver the outputs & outcomes outside of the formal LIP.

The allocation of funding is over a three-year period from 2022/23 to 2024/25, government has set the profile of expenditure each year and also the split between capital and revenue. The allocation includes a requirement to spend £1,198,134 in 2022/23. However, given the long delays in approving Investment Plans across the country, government has agreed that any 2022/23 underspend can be carried forward to be spent by end of 2023/24 subject to a credible plan of implementing both years funding. No funds can be carried forward in to 2024/25.

The funding is split over 3 themes:

The following is a summary of the indicative spend profile set by government:

	2022/2023	2023/2024	2024/2025	Total
Allocation available to invest	£1,198,134	£2,396,268	£6,278,222	£9,872,624

Capital	£119,813.40	£311,514.84	£1,255,644.40	£1,686,972.64

A decision was made that the UKSPF would be allocated across the districts & unitary authority as per the Governments calculations which are shown in the table below:

Routes to Delivery

The national guidance states 'Lead local authorities for each area will have flexibility over how they deliver the Fund. They may wish to use a mix of competitions for grant funding (which is the default approach set out in Cabinet Office Grants Standards), procurement, commissioning or deliver some activity through in-house teams.

Management and Administration

Government has agreed that councils can utilise up to 4% (£394,904.96) of the allocated funds to establish the capacity required to implement the funds. The CPCA proposed that these funds are utilised as follows:

- 2% (£197,452.48) will be retained by the CPCA to manage the central Government requirements associated with the UKSPF
- 2% will be allocated to the districts & unitary authority to manage the allocation of UKSPF they have reflecting their core SPF allocation, as set out below and is split on the following annual ratio

CPCA Local Authority	Core SPF Indicative Allocation	Administration 2%
Cambridge City (CCC)	£1,296,738	£25,934.76
East Cambridgeshire (ECDL)	£1,046,648	£20,932.96
Fenland (FDC)	£1,299,839	£25,996.78
Huntingdonshire (HDC)	£1,956,922	£39,138.44
Peterborough (PCC)	£2,525,417	£50,508.34
South Cambridgeshire (SCDC)	£1,747,059	£34,941.18

Governance

Each district & unitary authority has in place its own governance arrangements for the management of the SPF projects, the overarching requirements that DLUHC has placed on the CPCA as lead authority via the Memorandum of Understanding have been reflected in the Grant Funding Agreements being developed with districts to ensure proper governance of delivery and administration.

The districts and unitary authority agreed a number of projects to utilise the funding offered:

CPCA Wide	E34	People & Skills	All Age Careers Service across Cambridgeshire & Peterborough	Working within the current funding boundaries of the NCS and the CEC, the service would be expanded to support careers related learning in primary school settings. Digital tools and data will be a key focus to the service and will act as the digital thread to tie the provision together. Employers will be front and centre of the service and a holistic approach will be taken to the relationship to ensure it is maximised at all points. Both CEC and NCS have resources that are suitable for multiple audiences, yet rarely capitalised on outside of their target market.
