Appointment of New Private Sector Members on the Business Board	A

70521Role: NED Board Members - Cambridgeshire & Peterborough Combined Authority Business Board

Remuneration: £5k per annum

Location: Cambridgeshire & Peterborough Region

Cambridgeshire & Peterborough Combined Authority (CPCA) was established as a Mayoral Combined Authority in 2017 to make life better, healthier, and fairer for the region. It has seven local constituent authorities and a Business Board originally established to drive sustainable and inclusive economic growth for the area through local projects, utilizing significant public and private investment.

The opportunities presented by the Government 's recent Levelling Up White Paper and UK Shared Prosperity Fund highlights the need for future public-private partnership to be recast and focused on a broader strategic direction, influence and delivery in closer partnership and integration with local authorities.

We are looking for 6 new non-Executive members to become part of the Business Board. This is a significant opportunity to impact economic growth in the region by providing visionary leadership and challenge to the CPCA, Government and local partners. We are looking for people with the right skills, abilities and talents to help deliver our vision for the future.

As a strategic business leader, you will also be able to provide insight and advice on the development and shaping of areas of economic strategy as well as oversight of its implementation on behalf of the Combined Authority Board. You will also be able to use your business networks to ensure that you and the members of the Business Board act as an effective voice for the business community across the region. You will have a proven track record of success in developing growth and be adept at building productive and cooperative relationships across different sectors. An inspirational leader with effective communication skills and a collaborative approach you will have the ability to contribute to broad based strategic thinking that delivers positive social and economic impact regionally.

This is a rare and exciting opportunity to be a part a legacy of achievement in a dynamic and professionally stretching leadership role.
