Priority Areas 23/24

Priority 1: Improve careers provision in schools and colleges against the Gatsby Benchmarks through support, training for the education workforce and quality assurance

Priority 2: Provide more high-quality experiences with employers for students and teachers – with a focus on current ‘cold spots’

Priority 3: Amplify apprenticeships, technical and vocational routes – including supporting the implementation of the Provider Access Legislation (PAL)

Priority 4: Target interventions for economically disadvantaged young people (Free School Meals (FSM)) and those who face barriers

Priority 5: Connect careers provision in schools and colleges to the needs of local economies (as articulated through Local Skills Improvement Plans (LSIPs))
