Statutory intervention

Indicators of poor culture and weak governance

- A lack of effective political and/or corporate leadership, including an overreliance on interim statutory officers
- a lack of corporate capacity, resulting in a lack of strategic vision and direction, and inadequate internal processes
- poor and inappropriate councillor conduct
- conflict and distrust among and between councillors and senior officers
- the absence of effective scrutiny, transparency and public consultation, including inadequate protections for whistle-blowers
- a lack of awareness and acceptance of the need for improvement; and insufficient capacity to achieve the change required.
