

University of Peterborough

Phase 1

Phase 1 - Overview

- £30 million investment to build a ‘signature’ building
- Anglia Ruskin University (ARU) are the official higher education partner for a new employment-focused university in Peterborough.
- ARU will deliver the curriculum for the new university, which will be known as ARU Peterborough, until 2028.
- To open its doors to 2,000 students in 2022, with an ambition to offer courses for up to 12,500 by 2030.
- The curriculum will be designed to meet local economic needs; providing both opportunities for local residents to receive a top-class vocational education and a well skilled local workforce for businesses to employ.

Phase 1 – First four faculties

The first four faculties of ARU Peterborough will be:

- The Faculty of Business, Innovation and Entrepreneurship
- The Faculty of Creative and Digital Arts and Sciences
- The Faculty of Agriculture, Environment and Sustainability
- The Faculty of Health and Education
