Activity	Purpose & Objectives	Estimated Financial Costs
Procure/Recruit Expert Resource	<ul> <li>Expert Communications &amp; Marketing Resource will be required to help us implement all our plans with optimum impact.</li> <li>There is a large and diverse series of workstreams at pan-team level and also within individual team plans which will need to be conducted professionally and accurately</li> <li>This additional and expert resource will help realise these plans quickly and effectively</li> <li>We will therefore procure a specialist service provider or recruit a dedicated Business &amp; Skills colleague on a 1-year fixed basis or a combination of the two.</li> </ul>	£40,000 Marketing & Comms Resource
Website Review & Overhaul	<ul> <li>Our website is unclear, complex and difficult to navigate</li> <li>A re-structure or complete rebuild should be considered to separate governance pages from client-related content</li> <li>Client related content needs to be easily found and straightforward</li> <li>Target clients for our respective services must be intuitively drawn to the pages aimed at them</li> <li>The features and benefits of all our services and workstreams should be clear, punchy and unambiguous</li> <li>Use of videos, animation and graphics will also provide a more enjoyable experience</li> <li>This will result in longer visits to our website, more engagement and a better educated client</li> <li>Client Case Studies would also be compelling</li> <li>The client must then be given a clear and direct gateway to the appropriate CPCA colleagues</li> <li>Any restructured content must also adapt with any new online plans relating to the new Business Growth Service by the successful contractor(s)</li> </ul>	£10,000
Social Media /Linked IN Communities	These are key communication channels to our audiences.	These activities will be cost- neutral and will be

	<ul> <li>Our current levels of LinkedIn and Twitter followers (and our engagement with them) are very low compared to our various Peer Groups (see Appendix 1).</li> <li>We can build a loyal following comprising of partners, advocates and clients/end users.</li> <li>Therefore, a concerted campaign to drive up the numbers of our followers on LinkedIn, Twitter, etc will take place</li> <li>Once achieved, this audience would be regularly stimulated with new content, updates, announcements and even surveys.</li> <li>This channel will also transmit links back into the website that accommodates new Webinars, Podcasts and other content.</li> <li>CPCA Team colleagues within this LinkedIn group will also share this content onward to their own LinkedIn connections to spread the messages even wider</li> <li>We will adopt the same approach for Twitter where currently we are totally inactive.</li> </ul>	undertaken by our new dedicated Marketing Resource and CPCA colleagues
Webinars, Podcasts, Videos	<ul> <li>We must use all available methods to generate our messages</li> <li>To reach all clients, we can adopt the use of regular Webinars to conduct virtual Presentations</li> <li>These can still be fully interactive sessions with our clients</li> <li>CPCA already possesses Webinar software and hardware in 2019</li> <li>We can also use Podcasts to push out excerpts of our Webinars</li> <li>Podcasts can also be used for brief and urgent messages – particularly useful for a new Grant fund being released for example</li> <li>Wider use of promotional and informative video should be considered (such as the Business Board Recruitment video)</li> <li>All this content could be stored on our website and social media channels for viewing by our clients and sharing/re-distribution by our colleagues, followers and partners</li> </ul>	Webinars and Podcasts – cost neutral Videos - £2,500
Event Strategy	Our Events  • Embarking on a regional roadshow, we will initiate our own events and target the right invitees	Travel/Subsistence of CPCA colleagues attending these

	<ul> <li>We will promote our various services equipped with uniform, compelling, clear Powerpoint slide-decks – delivered By CPCA colleagues professionally</li> <li>The Group Sessions can be informative tutorials on all our offerings</li> <li>We can also conduct in depth sessions focussed solely on a particular service with a specific client group</li> <li>To draw in our audience further, we can also conduct 1-2-1 Clinic-style Events after these Group Presentations</li> <li>These events can be held at cost-neutral venues using our partners/stakeholders locations</li> <li>But we will also hire appropriate space to deliver these sessions where necessary</li> </ul>	events will be covered within existing budgets  £2,500 Space Hire/Refreshments
	<ul> <li>Third Party Events</li> <li>We will also proactively engage other local networks to secure guest speaker slots at their events to address their members</li> <li>Examples of these networks include BAP Events, Chamber of Commerce Events, etc.</li> <li>We can also develop a smart strategy around Event Sponsorship to raise our visibility to our target clients eg, Business Awards Events (the Growth Hub already sponsors some events, but this can be raised up a level)</li> <li>Sponsorship of some events will incur costs – some of which would come from existing Growth Hub budget</li> <li>Trade Shows (outside the region) will also be considered where there may be Registration Fees</li> <li>We may also exhibit at these Events too</li> </ul>	£10,000 Sponsorship (in addition to existing sponsorships)  Trade Show Attendance/Exhibition Costs £10,000
Partnership Network & Collaboration	<ul> <li>Partnership Network</li> <li>Building on a common goal of Business and Economic growth, we will collaborate with a diverse group of Partners to help raise our profile</li> <li>Educating these groups on our services will create a large network of advocates</li> <li>Both Public Sector and Private Partners can echo our messages through their channels</li> <li>These Partners will also be gateway to our target clients</li> </ul>	This proactive engagement will be covered within usual Travel & Subsistence Budgets

Marketing collateral	<ul> <li>Refreshed Marketing Collateral for existing services</li> <li>New Collateral will be required for new service lines.</li> <li>Standard items include Leaflets in both soft and hard copy, Brochures, Posters, Event</li> </ul>	From existing Marketing Budgets
	<ul> <li>New Partnership Coordinator</li> <li>To assess, coordinate and harness the potential of all these potential relationships, we will recruit a Partnership Coordinator/ Manager who will manage this group</li> </ul>	£40,000 for dedicated Partnership Manager/Coordinator
	<ul> <li>A review of existing memberships (currently via the Growth Hub) will take place with a view to renewing with those networks where we can find our target clients</li> <li>We should also consider new membership of other networks where these target clients exist</li> <li>With all our future memberships going forward, we must leverage them much more effectively to (a) raise our profile and (b) engage our target clients</li> </ul>	
	<ul> <li>Memberships</li> <li>A similar approach should be taken with our memberships of local business networks across the region</li> <li>Being members will give automatic access to events and the entire membership community</li> </ul>	£7,500 New Memberships
	<ul> <li>Industry Networks such as IoD, etc can be a stepping stone to the appropriate target audience</li> <li>With greater clarity on our proposition, these Partners will also be source of quality client referrals</li> <li>In the Private Sectors, groups such as Accountants, Lawyers, Banks should be targeted who can refer their clients directly to us.</li> <li>Consideration should also be given to creating a semi-formal Partners Community to create a team spirit across this network</li> </ul>	

Pan-Team Promotional Activities 2020/21			
	We will also peruse the market for novel ways of sharing information		
Advertising and Optimising PR opportunities	<ul> <li>We aim to use local press across our region to raise our profile with a combination of informative articles, interviews and advertorials.</li> <li>We will also target local Business media such as Business Weekly for this purpose.</li> <li>Consideration could also be given to raising our profile over Radio (eg. BBC Radio Cambs)</li> <li>We will use the PR Team as a way of profiling our significant news, achievements and</li> </ul>	From Existing Marketing Budgets	

• We can also enlist Ministerial advocacy at appropriate junctions such as when the
