8.	Combined Authority Board Agenda: Wednesday, 5 August 2020	<p>The following questions to the Board were agreed:</p> <p>Item 2.1 Budget Monitor Update: Building upon cycle schemes he has funded recently is the mayor able to consider reviewing budgets and move funding towards promoting safe walking and particularly cycling?</p> <p>Item 3.1 £100m Affordable Housing Programme Proposed Variations to Schemes that form investments from the £40m revolving fund: The report to the Board states that “The lost interest by granting interest free periods will not impact on other areas of the Combined Authority. i.e. the revenue budget does not rely on these funds, but as mentioned earlier in the paper, any interest earned on these loans would be recycled and re-invested into new housing projects. i.e. the loss of interest just impacts on future funds available to support the £100m affordable housing programme.” What—in financial and housing unit terms—is the opportunity cost of this lost interest?</p> <p>Item 3.2 Proposal for a Corporate Vehicle to bring forward the Cambridgeshire Autonomous Metro (CAM): The report to the Board states that “CAM will potentially increase social mobility to Peterborough and the Fens, therefore ‘levelling up’ the region”. Which parts of the Fens will have access to CAM, and when?</p>

Item	Topic	Decision <i>[None of the decisions below are key decisions]</i>
		<p>Item 3.3 A10 Junctions and Dualling: The report to the Board states that " there was a spread of opinion about the options". Will the Combined Authority publish the public feedback received in response to the virtual public exhibition?</p> <p>Item 3.5 Market Town Masterplans: A frequent comment during the development of the Market Town Masterplans was that local councillors and communities had not been consulted in their development, or their comments had been ignored. As funds are about to be allocated to the Market Towns to implement the Masterplans, what flexibility will be shown in granting funds to Market Towns for local priorities which are not in the Masterplans created for them, but which have greater local support and in some cases, greater feasibility?</p> <p>Item 5.2 Integrated Economic, Business and Skills Insight Programme: How is the Combined Authority balancing the need for urgent action this summer and autumn to address the short-term implications of COVID-19 on business and the economy, with the wish to redesign its medium term COVID-19 recovery focus?</p>
