Annual Governance Statement

For the year ended 31 March 2020

Cambridgeshire and Peterborough Combined Authority
Annual Governance Statement – 2019/20

Scope of Responsibility

The Cambridgeshire and Peterborough Combined Authority ("the Authority") is responsible for ensuring that its business is conducted in accordance with the law and proper standards and that public money is safeguarded and properly accounted for and used economically, efficiently and effectively. The Authority is also the accountable body for the Local Enterprise Partnership (known as the Business Board.)

The Combined Authority also has a duty under the Local Government Act 1999 to arrange to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy, efficiency and effectiveness.

In discharging this overall responsibility, the Authority is responsible for putting in place proper arrangements for the governance of its affairs, facilitating the effective exercise of its functions including arrangements for the management of risk.

As the Authority was formally established on 3 March 2017, the organisation is at the start of its fourth year of operation and this is its fourth statement. The Authority has made good progress which is described in this statement and further progress will be made throughout the year. A copy of the Authority's constitution, assurance framework and monitoring and evaluation framework is available on its website.

The governance arrangements will comply with the principles of the Local Code of Governance, which is consistent with the principles of the CIPFA / SOLACE Framework *Delivering Good Governance in Local Government 2016 and the National Local Growth Assurance Framework (January 2019).*

This statement explains how the Combined Authority has complied with the Code and meets the requirements of the Accounts and Audit Regulations 2015 Regulation 6.1 (b) in relation to the publication of an Annual Governance Statement.

The Authority acknowledges that good governance arrangements will enable it to establish effective policies and to deliver ambitious programmes to communities in the combined authority area. The arrangements put in place must be both robust and adaptable to deliver its objectives in a dynamic and strategic environment. For this reason, two reviews have been undertaken by Internal Audit, into the corporate governance of the Authority and into the governance of the Local Enterprise Partnership following its amalgamation into the Authority as the Business Board, to establish progress in implementing its governance arrangements against the 2016 principles and the National Local Growth Assurance Framework.

The Purpose of the Governance Framework

The governance framework comprises the systems, processes, culture and values, by which the Authority is directed and controlled and how it engages with and leads the community in those activities for which it is accountable. It enables the authority to monitor the achievement of its strategic objectives and to consider whether those objectives have led to the delivery of appropriate, cost effective services.

The system of internal control is a significant part of that framework and is designed to manage risk to a reasonable level. It cannot eliminate all risk of failure to achieve policies, aims and objectives and can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Authority's policies, aims and objectives, to evaluate the likelihood of and potential impact of those risks being realised and to manage them efficiently, effectively and economically.

As the organisation is now starting its fourth year, the governance framework remains in its development stage.

The Governance Framework

Context

Between March and June 2016, seven constituent councils across the Cambridgeshire and Peterborough area negotiated a devolution deal with Government. In June 2016, the constituent councils agreed a scheme for a combined authority for the Cambridgeshire and Peterborough area, with a directly elected Mayor, for wider consultation. Following extensive consultation with residents, businesses and stakeholders in Cambridgeshire and Peterborough over a six-week period, the seven councils submitted the scheme to the Secretary of State for approval in November 2016. The Cambridgeshire and Peterborough Combined Authority Order 2017 was made on 2 March 2017 and came into force on 3 March 2017.

The Cities and Local Government Devolution Act 2016 came into force on 28 March 2016, making Cambridgeshire and Peterborough local authorities amongst the first to establish a combined authority for its area under these new provisions. Following the making of the Order, the Authority's first directly elected Mayor was elected on 4 May 2017 for a four year term of office until May 2021.

The powers which have been devolved from Central Government to the Combined Authority include:

- Control of a new additional £20 million a year funding allocation, over 30 years, to be invested to the Cambridgeshire and Peterborough Single Investment Fund, to boost growth.
- £170 million to deliver new homes over a five-year period in Cambridgeshire and Peterborough which includes affordable, rented and shared ownership housing
- Responsibility for chairing an area-based review of 16+ skills provision

- Responsibility to develop a more effective joint working with the Department for International Trade to boost trade and investment through agreement of a Joint Export Plan
- Powers devolved to the Mayor as part of the devolution plan include:
  - Responsibility for a multi-year, consolidated and devolved transport budget
  - Responsibility for an identified Key Route Network of local authority roads
  - Powers over strategic planning and the responsibility to create a non-statutory spatial framework for Cambridgeshire and Peterborough and to develop with Government a Land Commission.

Further secondary legislation has come into force over the past year to increase its powers. This includes

- Mayoral powers to levy a business rate supplement to raise money for projects that will promote economic development
- Devolved powers for the Adult Education Budget and associated powers to deliver an adult education service that supports wider economic and social priorities;
- Housing regulations enabling the Combined Authority to fund homes for Affordable Rent

The Combined Authority is small in size and strategic in nature. The Authority has adopted a commissioning model with delivery being undertaken by those best qualified to do so across the public and private sector.

Cambridgeshire and Peterborough Combined Authority Structure

The Authority is made up of a directly elected Mayor and the following seven local authorities (referred to as the Constituent Councils) and the Local Enterprise Partnership known as the Business Board:

- Cambridge City Council;
- Cambridgeshire County Council;
- East Cambridgeshire District Council;
- Fenland District Council;
- Huntingdonshire District Council;
- Peterborough City Council; and
- South Cambridgeshire District Council.

The Constitution for the Authority sets out the Authority's governance arrangements. It sets out the powers and functions of the Combined Authority, including matters reserved to the Mayor and Board, financial procedures, contract standing orders, Member Codes of Conduct, the scheme of delegation to officers and arrangements for the operation of

executive committees, an overview and scrutiny committee, and an audit and governance committee function.

The Scheme of Delegation provides for the day to day management and oversight of the Authority including the responsibilities of the Head of Paid Service, the Chief Finance Officer and the Monitoring Officer.

The key elements of the governance framework, its systems and processes, are outlined below.

Board

Each of the Constituent Councils appoints a nominated representative to be a Member of the Combined Authority and another Member to act in his or her absence. The Business Board (LEP) nominates one of its Members, normally the Chair and a substitute member.

The Combined Authority Members comprise the Board. The Board's role and powers are set out in the constitution. Essentially, it provides strategic leadership for the Combined Authority area, approving strategies, policies and overseeing fiscal matters to ensure that the required outcomes are delivered. The Board meets monthly.

The Combined Authority Board has invited the following organisations with direct responsibility for functions relevant to the Combined Authority objectives to become co-opted Members to attend the Combined Authority Board and may take part in the debate.

(a) The Police and Crime Commissioner for Cambridgeshire;
(b) Cambridgeshire and Peterborough Fire Authority representative;
(c) Cambridgeshire and Peterborough Clinical Commissioning Group representative.

Mayor

Certain functions are reserved to the Mayor as set down in the Order and the Constitution. The Mayor has an overall leadership role and chairs the Board meetings. Both the Mayor and the Combined Authority have a general power of competence.

The functions of the Combined Authority are grouped into portfolios. In accordance with the Combined Authority's Constitution, the Mayor and the Combined Authority Board agree portfolio responsibilities in respect of those functions. The Mayor nominates the agreed Lead Members from amongst the Members of the seven constituent councils and formally approved by the Board. Each Lead Member leads on his/her allocated portfolio functions and is accountable for his/her allocated area. Lead Members do not have delegated powers. The Mayor has appointed two deputies.

Executive Committees

In September 2018, the Board set up three executive committees; the Transport and Infrastructure Committees, the Skills Committee and the Housing and Communities Committee. By placing responsibility for three of the largest portfolios into a committee system, it enabled the Combined Authority to meet challenges of resilience and volume. The Chair of each committee leads the portfolio responsibilities of that committee and can distribute responsibility for delivering discreet areas of the portfolio amongst the members of the committee. By creating a division of the portfolio workload across the committee members, the Combined Authority ensures a measure of continuity in the delivery of its key projects. A committee system also allows member oversight of the delivery of its programme of works against the Combined Authority's Assurance Framework and Monitoring and Evaluation Framework.

In September 2019 the Combined Authority Board agreed amendment to the Authority's constitution to strengthen the role of the Executive Committees by delegating to them decision-making powers previously exercised by the Combined Authority Board. The membership of the Executive Committee was expanded to include representatives of all the constituent councils on each committee.

The advantages of the new arrangements include:

- Creating more realistic workloads for the members of the Combined Authority Board, who are also the Leaders of their councils:
- Allowing members of the Combined Authority Board to have a strategic focus
- Increasing the profile of the Authority amongst the constituent councils
- Increasing the understanding of the Authority amongst constituent councils
- Sharing of knowledge and regional issues
- Improving cross-boundary co-operation
- Bringing in additional member expertise to the Authority in key areas; and
- Decreasing the frequency of Combined Authority Board meetings

The effectiveness of the new governance arrangements will be kept under review by the Authority's Audit & Governance Committee.

Overview and Scrutiny Committee

The Combined Authority has established an overview and scrutiny committee to comply with the requirements of the Combined Authorities (Overview and Scrutiny Committees, Access to Information and Audit Committees) Order 2017.

It comprises 14 elected councillors, two from each of the seven constituent councils, and reflects the political balance across the combined authority area. Its primary role is to review and scrutinise decisions of the combined authority and the Business Board. They monitor the Forward Plan of forthcoming key decisions and may call-in any of these decisions where members consider that further scrutiny and challenge is required. One request was made to call-in a Combined Authority decision in the last year but this was

unable to proceed because the Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020 were not brought into force in time to enable a virtual meeting of the Committee to take place.

The committee undertake other roles including pre-decision scrutiny where they can act as a "critical friend" to highlight key issues, and challenge policies at the developmental stage. The committee has set up two task and finish groups, one to consider the Cambridgeshire Autonomous Metro project and one to consider the Authority's Bus Review. The Mayor and Chief Executive attend meetings at least quarterly to update the committee and to answer any questions. The committee has also responded to the change in the Authority's governance arrangements by revising its own arrangements for pre-scrutiny to allow lead members appointed by the Committee to formulate questions for the Executive Committees.

Audit and Governance Committee

The Board has established an Audit and Governance Committee in accordance with the Combined Authorities (Overview and Scrutiny Committees, Access to Information and Audit Committees) Order 2017. It comprises 7 elected members reflecting the political balance across the area and an independent person who chairs the meetings.

The committee has reviewed and revised the following Authority policies and procedures in 2018/19:

(a) Corporate Risk Strategy

(b) Assurance Framework

(c) Data Protection Policy

The Committee has also received a report on Freedom of Information requests, fraud, whistleblowing and complaints together with the Internal Audit reviews of the governance of the Authority and the Business Board referred to above.

This statement has been reviewed against the Joint Business Board and Combined Authority Assurance Framework.

Business Board (Local Enterprise Partnership)

On 1 April 2018, the Greater Cambridge Greater Peterborough Local Enterprise Partnership was dissolved and a new Local Enterprise Partnership was formally created in September 2018 and is known as the Business Board. The Business Board is a voluntary partnership between constituent councils and non-constituent local authorities and the business community, playing a key role in determining local economic priorities and growth. The Partnership is a key interface with Central Government and the region and offers policy advice and strategic direction aligned to the Authority's objectives.

The current membership now comprises fourteen members, which includes two public sector members and up to twelve business representatives from amongst the key sectors across the Cambridgeshire and Peterborough area. The majority members on the Board are from the private sector. Membership of the Business Board reflects two key priorities:

(1) that the Business Board should be predominantly private sector led to provide the best possible platform for businesses within the area and that
(2) the Board ought to be comprised of representatives of those key sectors which are driving economic growth in the area.

The Mayor and the Portfolio Holder for Economic Growth/Deputy Mayor are members of the Business Board recognising the importance of its role and of the private sector in any growth strategies for delivery in the Authority's area.

The Business Board is closely aligned to the Authority through a unified assurance framework and has a single staffing structure under the Authority's Chief Executive. The Authority is the accountable body for the Business Board.

The Business Board's constitutional arrangements comply with the National Local Growth Assurance Framework and with the joint Assurance Framework for the Authority and the Business Board.

Strategic Direction

Over the past year the Authority has made good progress in developing its strategic direction.

1. As reported previously, the **Cambridgeshire and Peterborough Independent Economic Review** (CPIER) was commissioned by the Combined Authority and other local partners to provide a world-class evidence base, alongside independent and expert analysis, to inform future strategies and investment. It was also informed by two rounds of open public consultation. The CPIER is publicly available at www.cpier.org.uk.
2. The **Cambridgeshire and Peterborough Growth Ambition Statement** sets out the area's priorities for achieving ambitious levels of inclusive growth and meeting the commitments of the Devolution Deal. The Statement has been adopted by the Combined Authority Board (November 2018) and is based upon the significant work of the Cambridgeshire and Peterborough Independent Economic Review (CPIER).
3. The **Local Industrial Strategy** approved by the Combined Authority and Business Boards in March 2019 sets out the economic strategy for Cambridgeshire and Peterborough, taking a lead role in implementing the business growth, productivity, and skills elements of the Growth Ambition Statement as set out below:

The Local Industrial Strategy was co-produced with Government as part of the first wave of these strategies being developed to deliver the UK Industrial Strategy in local areas.

The Local Industrial Strategy is focussed around the five foundations of productivity established in the UK Industrial Strategy 2018, namely:

- People
- Ideas
- Business Environment
- Infrastructure
- Place

It is a core principle of the Local Industrial Strategy that the fifth foundation of place reflects the findings of the CPIER. In this area there will be economic strategies which respond to the three sub-economies identified in the region.

- Greater Cambridge
- Greater Peterborough
- The Fens

Investments will only be made if they can demonstrate that they will support the delivery of the Growth Ambition Statement and the Local Industrial Strategy, and the more detailed place and sector strategies (where they are in place).

4. In May 2018, the Combined Authority agreed its **2030 prospectus** to articulate its longer-term ambition and aspirations for Cambridgeshire and Peterborough. It also agreed its **Four-Year Plan** which set out how the Combined Authority planned to deliver its strategic growth ambitions and priority programmes in the period 2018/19 – 2021/22. It brings together the plans to support delivery of the 2030 ambitions for the benefit of all our communities. The Four-Year Plan has been developed through working closely with Leaders, Chief Officers and partners.

5. The **Cambridgeshire and Peterborough Combined Authority Business Plan** was agreed in January 2018 and set out the investment priorities for the period to 2020. It was most

recently updated in January 2020 covers 2020-21. The Combined Authority has been developing its detailed strategies for key areas of activity including:

- Housing Strategy
- Local Industrial Strategy
- Local Transport Plan
- Non-statutory spatial plan

6. The Local Industrial Strategy was published in July 2019.
7. Following the statutory process the Local Transport Plan was adopted by the Authority in January 2020.
8. The Combined Authority has 16 priority programmes based upon the CPIER objectives and the strategies highlighted above. These 16 priority programmes are reflected in the Business Plan.
9. On 29h January 2020 the Authority approved a four-year Medium-Term Financial Plan that forms the investment plan for the Combined Authority. This allocates resources to deliver the next stages of these priority programmes.

   This Business Plan and the Medium-Term Financial Plan sets out at a high level the transformational investments that the Cambridgeshire and Peterborough Combined Authority will commit resources to, subject to the detailed consideration and appraisal of project business cases. Some are project ideas at an early stage and might not be feasible, others are further advanced. The Business Plan and the Medium-Term Financial Plan are not intended to be an exhaustive list of activity as new opportunities will arise during the period, but it identifies the key activities that are transformational and will need investment during the plan period to unlock the opportunities they could bring. Prioritisation has been undertaken to ensure that our investment goes into projects that will unlock transformational anchor projects that will have a significant impact on growing the whole Cambridgeshire and Peterborough economy.

The Business Plan aligns with the approach to performance management which the Authority has already adopted and the Authority's quarterly performance reports will therefore enable members to monitor performance against the Business Plan priorities

The Business Plan will be reviewed in parallel with a mid-year review of the Budget and Medium-Term Financial Plan (MTFP).

The Combined Authority has progressed key investment decisions in a range of transport and infrastructure, skills, housing and economic development initiatives.

Assurance Framework

In November 2019, the Combined Authority Board and the Business Board agreed a revised joint Assurance Framework. The latest Framework complies with the National Local Growth Assurance Framework published in January 2019. The Assurance Framework sets out:

(a) How the seven principles of public life shape the culture within the Combined Authority in undertaking its roles and responsibilities in relation to the use and administration of the Cambridgeshire and Peterborough Investment, incorporating the Single Pot funding.

(b) The respective roles and responsibilities of the Combined Authority, the Local Enterprise Partnership and the Section 73 Officer, in decision-making and ways of working

(c) The key processes for ensuring accountability, including public engagement, probity, transparency, legal compliance and value for money.

(d) How potential investments to be funded through the Cambridgeshire and Peterborough Medium Term Financial Plan incorporating the Single Pot, will be appraised, prioritised, approved, signed off and delivered.

(e) The processes for oversight of projects, programmes and portfolios and how the progress and impacts of these investments will be monitored and evaluated.

Project Delivery

In March 2019, the Authority agreed its monitoring and evaluation framework. The framework provides assurance to the Combined Authority Board and to Central Government through robust monitoring and evaluation arrangements for each of the commissioned projects. Monitoring and evaluation (M&E) is a critical component of an effective performance management regime. Monitoring supports the effective tracking of a scheme or series of policy interventions ensuring that intended outputs are being achieved. Evaluation quantifies and assesses outcomes, including how schemes were delivered and whether the investment generated had the intended impact and ultimately delivered value for money.

In January 2020, the Authority approved the incorporation of a Local Growth Fund Monitoring & Evaluation Plan into the Monitoring & Evaluation Framework. Being able to show the efficacy and impact of the Business Board's investments will enable a positive case to be made to Government in discussions regarding the allocation and responsibility for future funding streams

Decision Making

All agendas and reports produced for meetings of the Combined Authority, its associated Committees and the Business Board are issued to members and published on the Authority's website in accordance with access to information requirements in the 2017 Order. All Combined Authority Board and Executive Committee meetings are held in public.

A Forward Plan identifying strategic decisions that will be made by the Board over a four-month period is updated and presented to the Combined Authority Board each month. It will also include all forthcoming key decisions which require at least 28 days' notice. The Business Board has also agreed to publish its own Forward Plan.

Notice of decisions are also published no more than two days after the meeting and are not implemented until five days after they are published to enable the Overview and Scrutiny Committee to exercise its right to call-in decisions.

Financial Management
A key responsibility of the Combined Authority is determining, agreeing and monitoring appropriate budgets for it to be able to fulfil strategic objectives.

A budget framework has been agreed for setting the budget in future years which takes account of the process laid down in the Combined Authorities (Finance) Order 2017

In summary, the draft Budget shall be submitted to the Combined Authority Board for consideration and approval for consultation purposes before the end of December. The Board will agree the timetable for consultation and those to be consulted. The consultation period shall not be less than four weeks, and the consultees shall include Constituent Authorities, the Business Board (LEP) and the Overview and Scrutiny Committee.

Before 1st February, having considered the draft Budget, the consultation responses, and any other relevant factors, the proposed budget for the following financial year, including the Mayor's budget, will be submitted to the Board for final approval. There is also a process for agreeing the Mayor's budget where no agreement can be reached.

Budget update reports are reviewed by Directors and presented to each Combined Authority Board to provide information on income and expenditure for the year to date against the approved budget and to provide an analysis of any variances between actuals and budget for both Revenue Funds and the Capital Programme.

Developing Capacity
The member structure is well defined and a permanent staffing structure is now in place.

Internal Audit
Peterborough City Council provides the internal audit function. The Chief Internal Auditor presented the audit plan to the Audit & Governance Committee and has provided the Committee with regular updates on it throughout the year.
The Chief Internal Auditor also presented the audit plan for the Business Board.

External Audit
Ernst & Young LLP has been appointed as the Authority's external auditors and has audited these accounts.

Risk Management
The Authority's Audit and Governance Committee is responsible for overseeing the Authority's risk management strategy and corporate risk register. A revised Corporate Risk Strategy has been agreed by the committee as above.

Corporate and project risk are identified, recorded and monitored by the Directors Management Team and the Audit & Governance Committee, and are escalated to the Combined Authority Board where necessary.

Managing Performance
Given the level of investment the combined authority will generate, it is vital that robust programme management processes are developed for its programmes, across distinct themes and for collective consideration of outputs and outcomes. As stated above, a monitoring and evaluation framework has been agreed by the Combined Authority Board and Government. A Performance Management process has also been developed, to monitor and report on programme delivery (time, quality, cost) and the outcomes and impact of projects/programmes.

Review of Effectiveness
The Authority has responsibility for conducting an annual review of the effectiveness of its governance framework. This includes consideration of systems of internal control and arrangements for internal audit and assurance statement from key officers. This has focused on where we are now and where we want to be in the year ahead against the Good Governance Principles.

There were Internal Reviews during the year into the governance of the Authority and the Business Board as set out above:

The objective of the Internal Audit review of the governance of the Authority was to provide assurance that the systems of control in respect of Corporate Governance were adequate and being consistently applied. The areas of focus were:

- Organisational Structure / Roles and Responsibilities: To confirm that the Authority has an open and transparent organisational structure and that roles and responsibilities are clearly defined and communicated across the organisation
- Decision Making: To confirm that there is a clear and transparent decision making process within the Authority and decisions taken adhere to these processes as set out in the assurance framework
- Strategy and Planning: To confirm that the Authority's strategies are up to date and communicated across the organisation. To confirm that strategies complement and support each other and are linked to key aims and priorities.

Together with verification that Human Resources processes were robust and followed best practice.

The main findings of the review were that improvements had been made to the governance arrangements as the Combined Authority had evolved and previous actions had been progressed. Following extending the review to other areas of governance the part of the business requiring most attention was that of Human Resources. While the audit focus was primarily to look at the recruitment process – which the auditors were unable to place any reliance on – the audit also touched upon the performance management framework and similarly there was nothing in place in relation to employees. A detailed action plan was required to take this key business activity forward.

Of the fifteen activity areas reviewed, two received substantial assurance ratings, twelve received reasonable assurance ratings and one [HR] received no assurance rating.

A report on progress with the Human Resources recommendations was taken to the meeting of the Audit & Governance Committee on 19 July 2019 and progress continues to be monitored.

For the Internal Audit review of the governance of the Business Board the matters under review included that:

- The LEP has a local assurance framework in place, as required by the Government's National Assurance Framework
- The LEP is operating under a clear governance framework.

The main findings of the review were that there has been good progress in establishing a clear framework which brought together the previous arrangements. A number of areas were identified which need to be addressed to ensure governance was effective. Those identified as requiring attention included:

- Increased transparency in relation to data available and how value for money is achieved;
- Development of a consistent brand identity; and
- Processes in place for the recovery of funds should any project be deemed to have misused public monies etc.

The findings of the audit give Reasonable Assurance on the effectiveness of the governance arrangements that has been established within the Assurance Framework. Eight recommendations were made to tighten up the assurance framework.

The Head of Internal Audit of a Local Authority is required annually to provide their opinion on the overall systems of internal control and their effectiveness. This is informed by the work that has been described above and, for the financial year 2018-19, the opinion was as

follows:

> *I am satisfied that sufficient quantity and coverage of Internal Audit work and other independent assurance work has been undertaken to allow me to draw a reasonable conclusion on the adequacy and effectiveness of the Authority's risk management, control and governance processes. In my opinion the CPCA has adequate systems of internal control in place to manage the achievement of its objectives. In giving this opinion, it should be noted that assurance can never be absolute and, therefore, only reasonable assurance can be provided that there are no major weaknesses in these processes. Notwithstanding my overall opinion, Internal Audit's work identified a number of opportunities for improving control procedures which management has accepted and are documented in each individual audit report.*

Conclusion

The Combined Authority recognises its responsibilities for ensuring that its business is conducted in accordance with the law and proper standards and that public money is safeguarded and properly accounted for and used economically, efficiently and effectively, alongside a duty to make arrangements to secure continuous improvement in the way in which its functions are exercised.

The Authority has made good progress during the year and we are committed to making continued improvements during the course of the next year.

Certification

As Mayor and Chief Executive Officer, we have been advised on the implications of the results of the review of the effectiveness of the Combined Authority's governance framework, by the Audit and Governance Committee.

Our overall assessment is that the Annual Governance Statement is a balanced reflection of the governance environment and that an adequate framework exists within the Combined Authority to ensure effective internal control is maintained. We are also satisfied that there are appropriate plans in place to address any significant governance issues and will monitor their implementation and operations as part of our next annual review.
