Agenda Item 2.6

LGF Project Change Request for March Adult Education Centre

This late report has been published to accommodate an LGF Project Change Request from Cambridgeshire Skills (Cambridgeshire County Council) in regard to the Adult Education Centre Project (March, Fenland). The request to extend the project's delivery beyond 31st March 2021 was not part of the Grant Funding Agreement and therefore requires the Business Board to recommend its approval to the Combined Authority Board. This request was submitted after the Business Board agenda was published on 22nd December 2020 and it has therefore been accepted by the Chair of the Business Board as a late report.
